

VOLUNTEERS NEEDED TO ASSIST WITH 1708 GALLERY'S LANTERN MAKING WORKSHOPS!

1708 Gallery is pleased to present a series of Lantern Making workshops in preparation for the Community Lantern Parade which will kick-off **InLight Richmond** on Friday, October 21st at historic Tredegar, by the river and Brown's Island. Volunteer to help children, teens, and adults make their own lanterns in one of these exciting workshops.

The workshops will be held during the first three weeks of October with 1708 Gallery at many different locations. Taught by local artists, the workshops will feature unique lantern making methods designed for all ages. To volunteer, no special skills or previous art experience are needed, just a willingness to have fun exploring creative possibilities with lantern-making.

You will need to arrive 30 minutes early to set up and stay 30 minutes after the activity for clean up.

For more information or to sign up to volunteer for any of the lantern workshops, contact InLight Lantern Coordinator Kerry Mills at kmills@1708gallery.org.

VELLUM LANTERNS at QUIRK Gallery for families

Sunday, 10/2 2 to 4 pm, all ages
Focusing on the luminous qualities of vellum and the flexible properties of rattan participants will create small one-of-a kind lanterns.

Community Lantern making with 1708 Gallery on Broad Street in the QUIRK parking lot.

Friday, 10/7: 5 to 8 pm, all ages
Come and help at the First Friday Art Walk on October 7th for a free community lantern making fest.
